

"I firmly wish that My Face reflecting the intimate pains of My Soul, the suffering and love of My Heart, be more honored! Whoever gazes upon Me, already consoles Me" ...

### **Celebrating 33 Years of Serving the Church**

We, the senior citizens of the world have lived through an amazing era. A time of wars, national disasters, social upheavals and great pain. Our lives have been spent in hearing of a constant stream of disasters.

World War II would be the beginning of our times. This was a time of great suffering and unhappiness. It was lived against the backdrop of the

Holocaust, Dachau, Belsen and all the other horror scenes of this great tragedy. To this can be added Stalin's starvation of millions of Ukrainians, millions of abortions legitimized, same sex marriages proclaimed, divorces more frequent than marriages and we can add to all this, the misery and terror of the flooding of New Orleans and the tsunami. Then we have the strange weather patterns throughout the world and the melting of the icecaps.

There are thousands of children dying of starvation. Rising above all this pain and misery we have the image of John Paul II spreading the fire of his faith to the souls of millions during his travels around the world. This hope made people conscious of their brotherhood and made them realize that God loves us all and wants us for all eternity. Reliance on His promises of eternal Paradise inspires this hope. Then from this hope rises love for all suffering humanity.

We want to share all the glorious gifts of God and God our Father does nothing by half measures. After God made Jean Paul II the Pope, He made Benedict the guardian of the faith to complete the work of John Paul II. Hence we are assured of constant rule in the hope of the Lord.

Rev. Fr. Russell A. Schultz S.T.D.

To Whom It May Concern

When I was deployed to Iraq, I was wearing the Holy Face medal. A mortar landed 20 feet from me and seven others. No one was injured.

On February 2006, I was on a convoy in Iraq, protecting my chaplain. As I was standing next to my chaplain ( 3 feet away) we received enemy fire. It was a sniper, a bullet went through my left forearm just above the wrist. If I hadn't shifted my stance, I would not be here now.

Thank you for the Holy Face medal. The Holy Face medal has saved my life at least twice since I've been deployed to Iraq.

Sincerely,  
R/S. - USA

### **JESUS: " Follow me " (John 21 : 19)**

Through the grace of God, we are celebrating 33 years of service to the Church trying to help many people from all walks of life. We place our literature and pictures in homes, churches, schools, hospitals and prisons. Missionaries whom we supply with religious material are also helping worldwide. We bring the Holy Shroud exhibition to different cities and teach people the true meaning of the Holy Shroud.

We have been truly blessed with great Popes who have shown us how we must persevere during this period when sin is accepted as a way of life.

Jesus said to Mother Pierina: "Every time that anyone gazes at My Face the salvation of many souls will be obtained."

Jesus further added: "Contemplate My Face and you will enter into My Heart's abysses of sorrow - console me - and search for souls who sacrifice themselves with me for the salvation of the world."

Give yourself to Jesus through Our Blessed Mother in total trust in His Divine Love, His Divine Mercy, His Divine Will through His most Holy Face.

The Holy Face medal seems to contain a powerful meaning for those who seek to truly follow Jesus. Who would refuse this tremendous gift sent to us by Our Heavenly Father Who gave us the actual image of the most Holy Face of His Beloved Son with all its blessings.

Let us be prepared for the day when we come face to face with Jesus. Our good deeds will have wiped the Face of Jesus just like Veronica did during His Passion.

Sincerely,  
Gordon Deery

Subject: The Holy Face of Jesus

I have been saying a continuous novena for several weeks now to the Holy Face and going to adoration on Tuesdays. This wonderful devotion has given me such joy, to think that we can console Jesus in this way and make reparation for our sins and for the sins of others and to perhaps bring souls back to him and to pray for the holy souls is a great and merciful gift from the Blessed Trinity to us. May you be blessed in your holy work and may the Holy Face of Jesus be adored and loved everywhere.

May God be Praised!

This is a very beautiful web-site - visually and spiritually enriching! Thanks to ALL responsible for its upkeep. Last year at a Marian Eucharistic Congress that I attended in Richmond, VA mention was made regarding the need to propagate devotion to the Holy Face of Jesus, Our Saviour! Thanks so much for making this available. Be assured that others will be made aware of this web-site!
